

Benno Emmenegger

CEO

“ Success is the result of making the right decisions. Making the right decisions comes from experience. And experience is based, on other things, on wrong decisions. – *Steve Jobs* ”

About Benno

Benno Emmenegger is the founder and CEO of Ad Interim Sales GmbH and is the first point of contact for projects throughout the entire process chain. He puts his many years of experience in sales to good use not only for the sales team of companies who hire us, but also as a lecturer at a wide range of Swiss institutions and training centres.

Benno graduated in Computer Science from the University of North-West Switzerland and is also a federally qualified head of sales. Since then he has also completed a post-graduate course in Philosophy and Psychology.
