

Sonja Rogenmoser

Sales- and Projectmanager

“ Coming together is a beginning,
keeping together is progress,
working together is success.
— Henry Ford ”

About Sonja

Sonja Rogenmoser is very much a hands-on sales and project manager who is ready for any and every new challenge. Trusting her with one of your projects means that you will get commitment, persistence and above all passion in return. Customer focus is a key to increasing success, and you can be sure that Sonja will never lose sight of your objectives. She has picked up plenty sales and project management experience over the years in management positions, with direct implementations of her work in a wide variety of sectors.

Sonja is qualified in business administration (HF – higher technical college), has a Swiss recognised diploma in marketing and a genuine love of networking. She gets to grips with new fields and sectors with incredible ease, putting her sales-oriented, project-focused talent to the best possible use for both you and your clients.
