

## Marcel Burkart

### Sales- & Project Management

« You never lose. Either you win. Or you learn. »

#### About Marcel

As an entrepreneur, coach and implementer, Marcel Burkart brings a broad experience in consulting, communication, sales and marketing from a wide range of industries to challenging client projects. His «doer» nature, his passion for sales and his uncompromising focus on added value for clients make him a valuable partner for various entrepreneurial challenges.

Marcel is the owner and managing director of the Wyrsch Unternehmerschule AG and is occasionally employed as an external project manager for various companies. As a trainer and lecturer, he also teaches sales and innovation at different levels at various universities of applied sciences and higher technical colleges.
